Use of manuscript materials. If you wish to examine items in the manuscript group, please place a request via the Special Collections Request System. Consult the Container List for location information.

Photocopying. Should you wish to request photocopies, please consult a staff member. Do not remove items to be photocopied. The existing order and arrangement of unbound materials must be maintained. Reproductions must be made from surrogates (microfilm, digital scan, photocopy of original held by LSU Libraries), when available.

Publication. Readers assume full responsibility for compliance with laws regarding copyright, literary property rights, and libel.

Proper acknowledgement of LLMVC materials must be made in any resulting writing or publications. The correct form of citation for this manuscript group is given on the summary page. Copies of scholarly publications based on research in the Louisiana and Lower Mississippi Valley Collections are welcomed.

Stack locations.	C:51

BIOGRAPHICAL/HISTORICAL NOTE

These photographs are believed to be taken by W. R. Perkins, the Director of Agricultural Extension at Louisiana State University in 1919.

SCOPE AND CONTENT NOTE

Photographs depict geological features in the Florida Parishes and other areas in Louisiana and Mississippi. The collection covers areas near Port Hudson, St. Francisville, Bayou Sara, Jackson, Kentwood, Roseland, Franklinton, Slidell, Varnardo, Hammond, and Covington, Louisiana. Photographs illustrate creeks, bluffs, eroded landforms, roads, vegetation, farms, and buildings. Included are depictions of gravel dredging and washing sites near Jackson, Kentwood, and Roseland, Louisiana.

The individual album pages have been removed from the albums. Photocopies of those album pages are included. Photographs have been removed from the albums and are filed in the order in which they appeared in the albums. The collection also contains drawings from Album 2.

INDEX TERMS

Materials relating to these people, places, and things can be found throughout the entire collection.
